# Automated Testing Guide

---

## About This Guide

---

Writing code and manually testing it while doing so is one thing, but in order to build a maintainable codebase and keep agile while doing so, automated testing is a must.

This guide brings together all the information on how to automate the testing of the applications written in Servoy

## In This Guide

---

- [Unit Testing](#)
- [UI Testing](#)
- [Building a Software Factory](#)
